**CONGRATULATIONS**

Candy Goulette, one of our client liaisons at our hospital in Fairfield, CA, wanted us to know “how much help the mailroom ladies (**Jessica Stimson & Veronica Vales**) have been at getting our Magnet document and associated booklets, posters, newsletters and pamphlets printed. **Veronica** has been especially helpful – she’s full of ideas and her expertise has been a real plus for us. Please tell her “Good Job!” from me!”
